2. Set the theme for gifts.

Often Secret Santa gift exchange is run around a specific theme, like "Hats", or "Mugs" or anything else really. Set the theme if you want to have themed Secret Santa exchange or follow variations listed below.

3. Arrange a date for the gift exchange.

It is important to set the date that everyone can attend. Usually a Secret Santa gifts are exchanged at the Christmas party, so setting it on a day where everyone can be present is a great idea.

4. Assign random recipient to year participant.

Use online Secret Santa generators or apps to assign everyone a Secret Santa. The simplest way is to write everyone's names on pieces of papers and have one person secretly pick one name out of the random batch.

5. Keep the secret during the exchange!

Don't forget: everyone must keep a secret of who they got the gift for. Hence the name Secret Santa.
